

VARLI Club

Benefiting 'Diya Foundation'

We are proud to announce the launch of the “Varli Club Benefiting the Diya Foundation.” The Diya Foundation’s mission is to provide education, food, and medical care to children around the world.

Most recently, the Diya Foundation began a sponsorship program for school students in India, affording them previously unavailable opportunities to succeed and take control of their future.

The outpouring of support for this mission has led us to create the Varli Club, a chance for everyone to get involved in strengthening the Diya Foundation's education pillar.

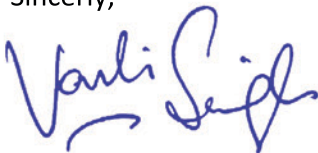

As a member of the Varli Club, your \$10 monthly donation (1 year commitment required) will help educate children in India and around the world, opening doors and fulfilling dreams that currently seem impossible.

Your Varli Club membership also includes the following benefits:

- Monthly donation is 100% tax-deductible
- Receive a \$100 value in restaurant gift certificates annually
- Discounted tickets for all Varli Food Festivals & Varli Culinary Awards events
- Free attendance to the Varli Summer Tasting and other select Varli events
- Discounts on VarliWare products **and much more!**

Sign-up for your Varli Club membership today to receive these great benefits and to help educate children around the world!

Sincerely,

Varli Singh
